## Optometrists Head Safety Contest Here

Drs. Allen Pyeatt and Joseph Bay, members of the Los Angeles County Optometric Assn., were named coordinators for Torrance and North High School respectively in the fifth annual poster and essay contest. The contest is sponsored by Vision Conservation Institute, Inc., and Dr. Pyeatt will work with Torrance High Principal W. B. Wagner Jr. Dr. Bay will work with North High Principal Dale Harter. "Safer Driving Through Better Vision, Help Save Lives" is the theme of the 1957 campaign which is co-sponsored by the National Safety Council. The contest is open to all public, private, and parochial high schools in this area and throughout California. Information may be obtained and entries submitted to English or art instructors or to VCI headquarters at the Bel Air Hotel, Los Angeles. Contest closes Dec. 7th. Local prizes are awarded in each county.

## Huge Crowd Expected for Street Improvement Fete

One of the largest crowds even to attend a Shoestring Strip function at Normandale Playground is expected tomorrow when residents of the area stage a twin celebration to mark the street improvement program in that section. Council President John S. Gibson, who represents the area, and who is now acting mayor of Los Angeles, will officiate at a ribbon cutting ceremony, marking the completion of paving of streets in the playground area. Following a short business meeting of the Councilmanic Advisory committee a street dance is scheduled on Halldale. Mrs. Ralph Robertson is general chairman of the affair. She will be assisted by members of Girl Scout Troop No. 216 who will serve as color guards. Squires and Squirtettes, two of the several Normandale Teen Age clubs, will assist with the street dance. Miss Alice Dunbar and Y. F. Hammatt, directors of the playground, will assist with details for the occasion. To Name Board Herman Eisenbeiss, chairman of the advisory committee, and other newly elected officers, will assist in naming of a 10-member board to make up the official family of the advisory organization, which now is the only group representing residents of that area. At the business session, Eisenbeiss will outline plans for an installation dinner, which has been scheduled for Dec. 4.
